

Simple Report

Below is the report for today's run of the Machine5000.

Daily Summary

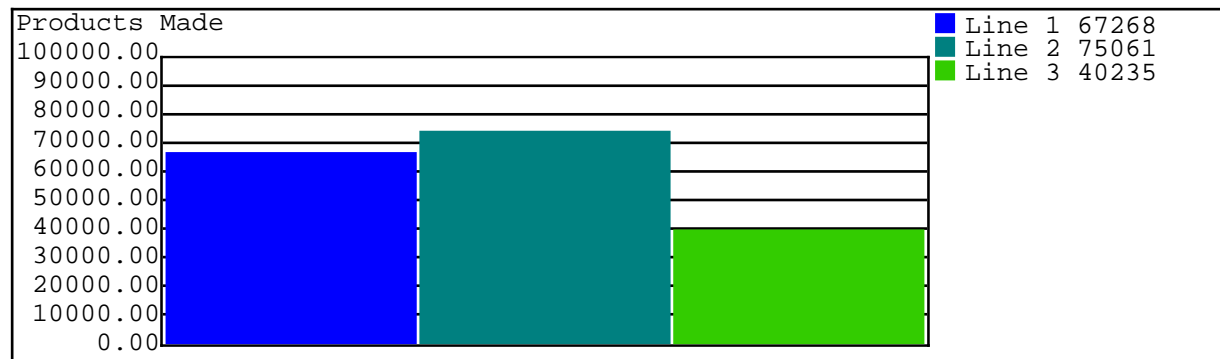

Production statistics from lines 1-3 of the Machine 5000

Run Time	Up Time	Down Time	Parts Made	PPM	Number of Rejects
00:00:00	23:13:34	00:47:25	67268	46.71	1256
00:00:00	23:54:09	00:05:51	75061	52.13	805
00:00:00	15:57:16	08:02:43	40235	27.94	742

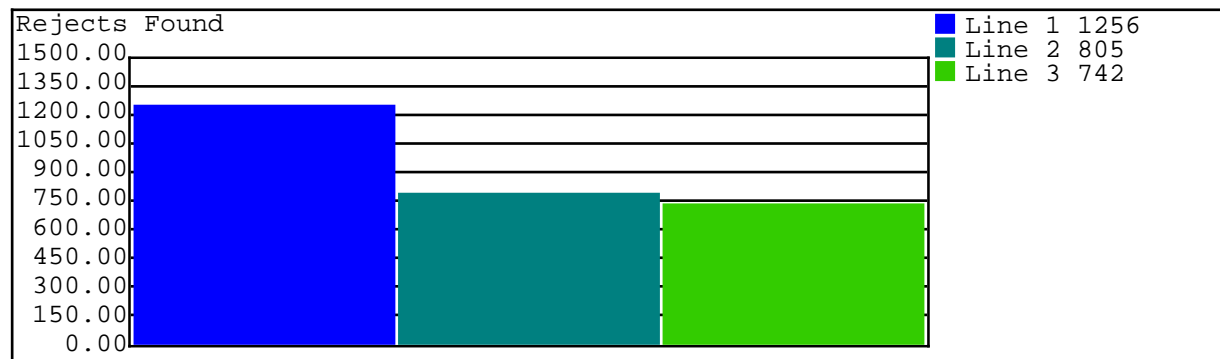

Simple Report

Product and Reject Statistics

Comparison of the number of products made across the three lines

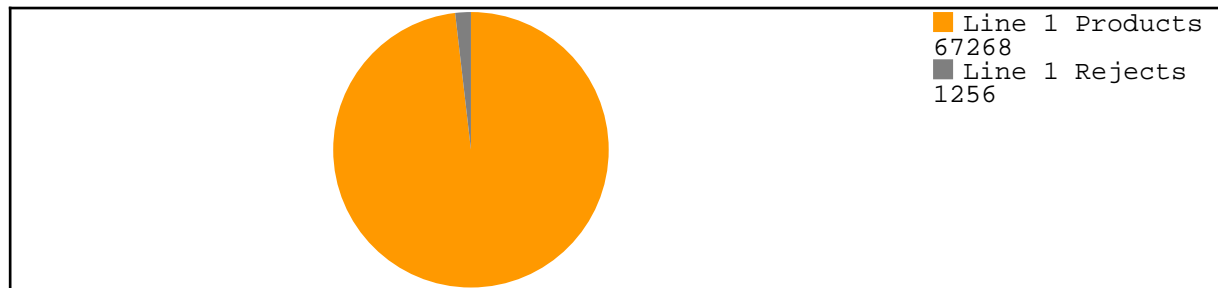

Comparison of the number of rejects made across the three lines

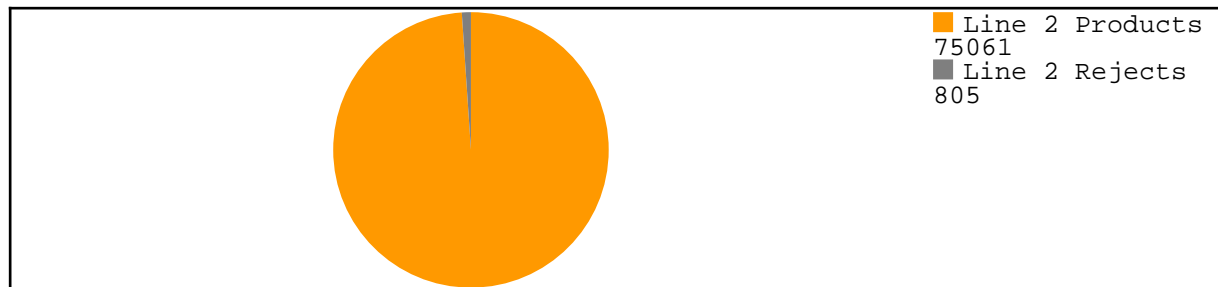

Simple Report

Product and Reject Statistics

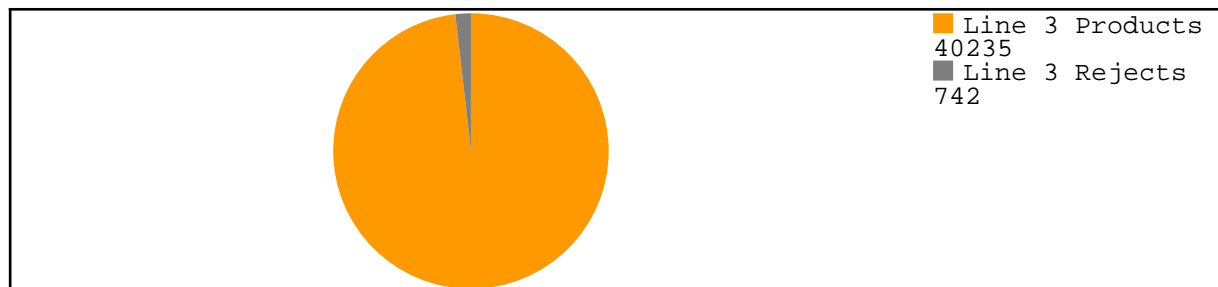

Comparing products and rejects on line 1

Comparing products and rejects on line 2

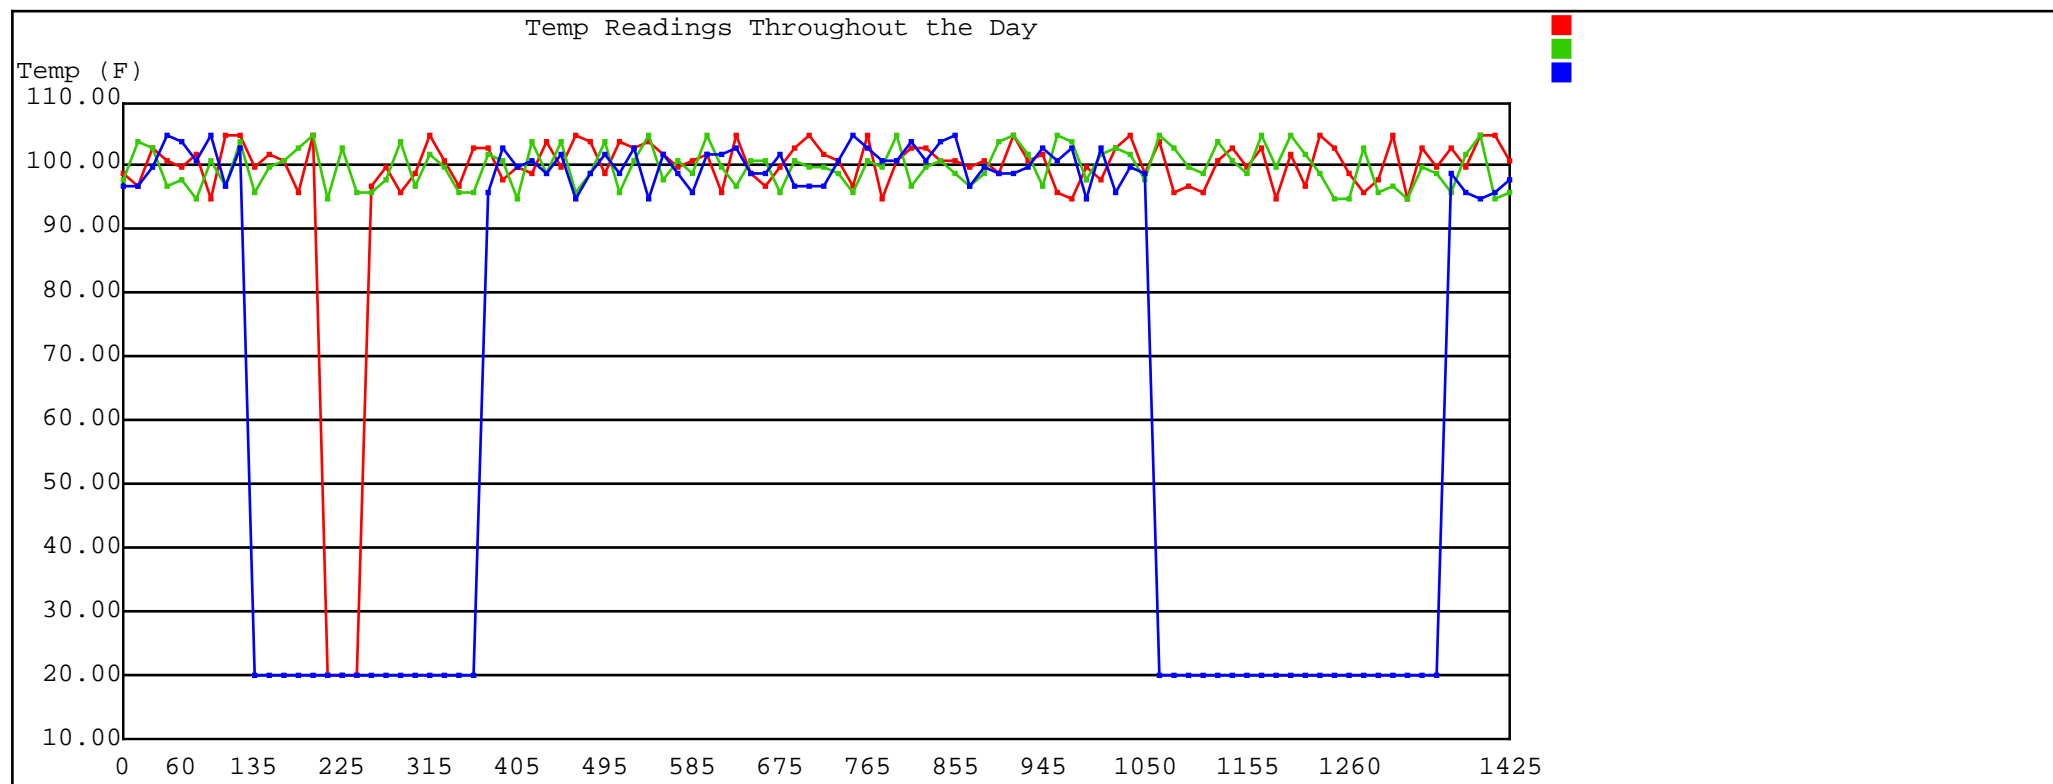

Comparing products and rejects on line 3

Simple Report

Temperature Samples

Temperature samples from the machine taken every 15 minutes

Simple Report

Alarm History

Time Stamp	Code	Name	Message
No alarm history data available.
